

The Johansen's

Cory, Craig, Carol, Mom, Cort and all our families hope you enjoy the day on the farm.

Thank you for coming!

This will not be the usual day at Grandpa's farm. It's different, It's cute. In keeping with the theme of the park, "New Life & Creation", we have set up a village of homes where animals live. The Johansens invite your family to spend a beautiful autumn day at the farm. Come to Johansen's for an experience they will always remember.
